

## *Great Neck Community School*

### **Map Location No. 8**

**G**reat Neck Community School has, for over 78 years, provided a warm, age-appropriate learning atmosphere for children (ages 2, 3, and 4 years old) and their families.

At this non-for-profit, fully accredited and licensed, non-sectarian, cooperative preschool, parental involvement adds to the family environment. The school engages students to explore their world and find the excitement of learning. They are encouraged to develop self-confidence, independence, and initiative, in an academically nurturing environment. Each well-appointed and organized classroom is under the direction of a certified head teacher. The school is housed in a cozy, renovated and modernized Tudor House with a large play yard. Student-to-teacher ratio never exceeds 6:1.

Come see how tradition combines with a modern curriculum to give your children the ultimate preschool experience. Located at 225 Schenck Ave, Great Neck, NY, 516-482-5005/[www.gncommunityschool.org](http://www.gncommunityschool.org).
